Dear Sir or Madam

About three weeks ago, the Index Department published a provisional list of newly valid outstanding share totals and free float values (see [SIX Swiss Exchange message 14/2010](#)).

In the meantime, some last-minute changes have been taken into account in order to ensure that the new index basket weights correspond to the current status.

The **definite list of all changes effective from 22 March 2010** is now accessible at the SIX Swiss Exchange website:

http://www.six-swiss-exchange.com/indices/adjustments_en.html

For the SLI[®] as well as for the SXI Life Sciences[®] and SXI Bio+Medtech[®], large-capitalisation issues are again capped at 9% and 4.5% (SLI[®]) and at 10% (SXI[®]) on the basis of the closing prices of 12 March 2010. The new capping factors are included in the list mentioned above.

Should you have any questions or comments, please do not hesitate to contact our Helpdesk: tel. +41 (0)58 854 22 80; e-mail indices@six-group.com.

Yours sincerely
